DETENTION ORDER
PAGE -1-

FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

- (1) There is probable cause to believe the defendant committed the drug offense. The maximum penalty is in excess of ten years. There is therefore a rebuttable presumption against the defendant's release based upon both dangerousness and flight risk, under Title 18 U.S.C. § 3142(e).
- (2) Defendant is viewed as a risk of danger to the community due to the nature of the instant offense. The AUSA alleges that a pound of methamphetamine and \$4000.00 cash was located at defendant's residence at the time of arrest.
- (3) Defendant is viewed as a risk of nonappearance as the defendant's background information is unknown or unverified and the Bureau of Immigrations and Customs Enforcement has placed a detainer on defendant.
- (4) Defendant stipulated to detention.
- (5) Based upon the foregoing information, it appears that there is no condition or combination of conditions that would reasonably assure future Court appearances and/or the safety of other persons or the community.

It is therefore ORDERED:

- (1) The defendant shall be detained pending trial and committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;
- (2) The defendant shall be afforded reasonable opportunity for private consultation with counsel;

- 1 (3) On order of a court of the United States or on request of an attorney for
2 the Government, the person in charge of the corrections facility in which
3 the defendant is confined shall deliver the defendant to a United States
4 Marshal for the purpose of an appearance in connection with a court
5 proceeding; and
6 (4) The clerk shall direct copies of this order to counsel for the United
7 States, to counsel for the defendant, to the United States Marshal, and to
8 the United States Pretrial Services Officer.

9 DATED this 14th day of June, 2006.
